

### *Alpine Games Team Trophy*

*Amusing teamwork based on mountains and tradition*

*Our imaginative and exciting fun and games bring an absolutely unique entertainment value to your event. Let the games begin!*

The Games arena can be reached on foot or by transportation. Here, the group is divided into individual teams of 6 to 10 people. The creation of these teams produces a lively competitive spirit, for our fun alpine games. Besides speed and strength, the competitors will also need to count on their talent, skills and luck.

There are a variety of disciplines to choose from:

- Alp horn contest
- Labyrinth
- Eiger north face ascent
- Milking-stool Bowling
- Maxi ski race
- Maxi Jenga
- Velogemel /Trottibake trail

A leisurely aperitif, lunch or dinner concludes the games, with a humourful ranking ceremony, where the event's outstanding achievements and special 'incidents' will be given special attention.
